Co-author, Len Hayduchok of Dedicated Financial Services, will discuss legal and financial strategies that can:

- Leverage your money tax-free for long-term care expenses you receive at your home, without paying annual premiums
- Eliminate taxes on annuities you may currently own
- Structure your IRAs to pay for long-term care if you need it, or be transferred to your children tax-free if you don't
- Qualify you for government benefits, including special programs for veterans and their spouses, even if you have significant assets
